

# BLUE WATER

COMPONENTS, INC.

In the turbulent world of electronics purchasing we will help you navigate to safe harbors. Our business was founded on three principles: Integrity, Quality, and Delivery. As a buyer, you know the value of these three words. We started this business with the highest of standards and are continuously improving our services to earn our clients' business. We have recently become ISO Compliant to strengthen that effort. Blue Water Components is an emerging leader in the electronics distribution industry and we'd love the opportunity to show you why. Give us a call and see how refreshing it is when purchasing with Blue Water Components.
